THE INTEREST

On the Gaid Bonds Began Monday Emer-Washington Tell Be Secretary tar-lisle said Monday morning that every-bring was all right for the carrying out of the contract to purchase gold by bonds with the syndicate and that the option of ten days given for con-gress to act in the matter having exaired Monday, the interest on the sonds would begin Monday, although it might be three weeks or perhaps one month before the bonds themselves

would be delivered. The trouble was that the bonds had to be run through the presses twice, and the work being a delicate and particular one, it had to be done carefully. This, however, would not interfere with the paying in of the gold into the treasury, as the syndicate understood Gordon self-binding reaper, is dead at that the interest began with the pay-his home in Rochester, N.
